

Um, Mr. Mushroom boy? I'm sorry, I-I thought you were
a Koopa...

Star Child, my hat please?

Hey, are you alright?

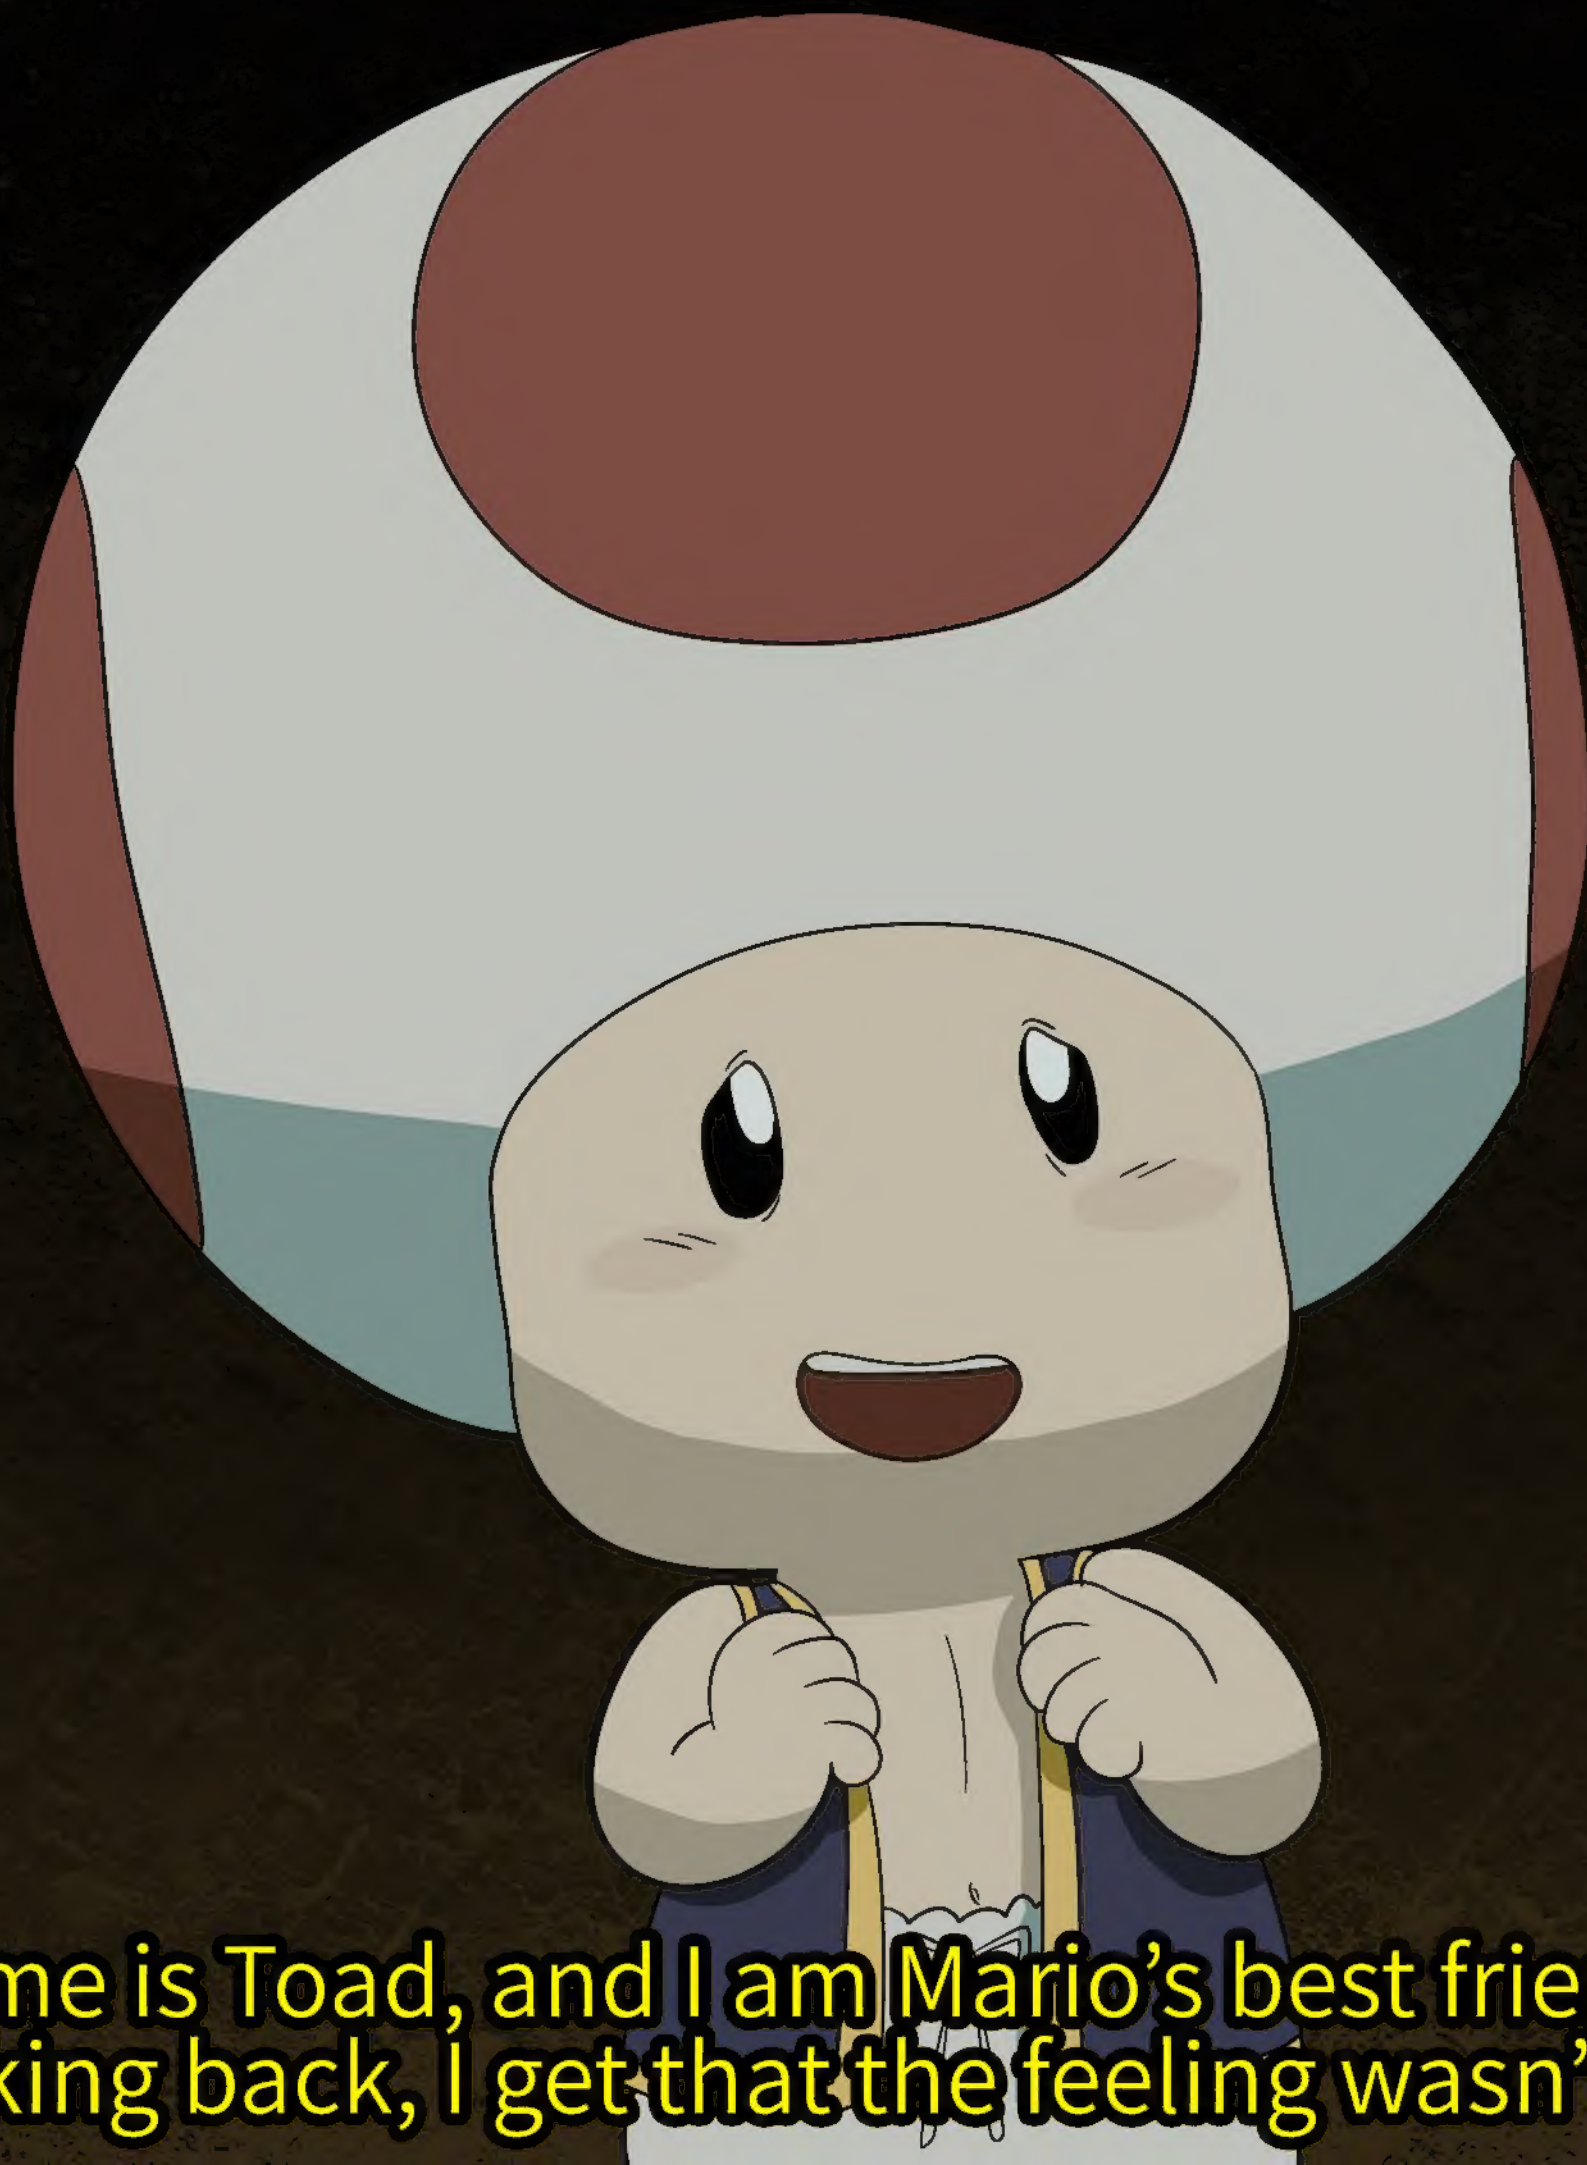

....The L on your cap...you're....

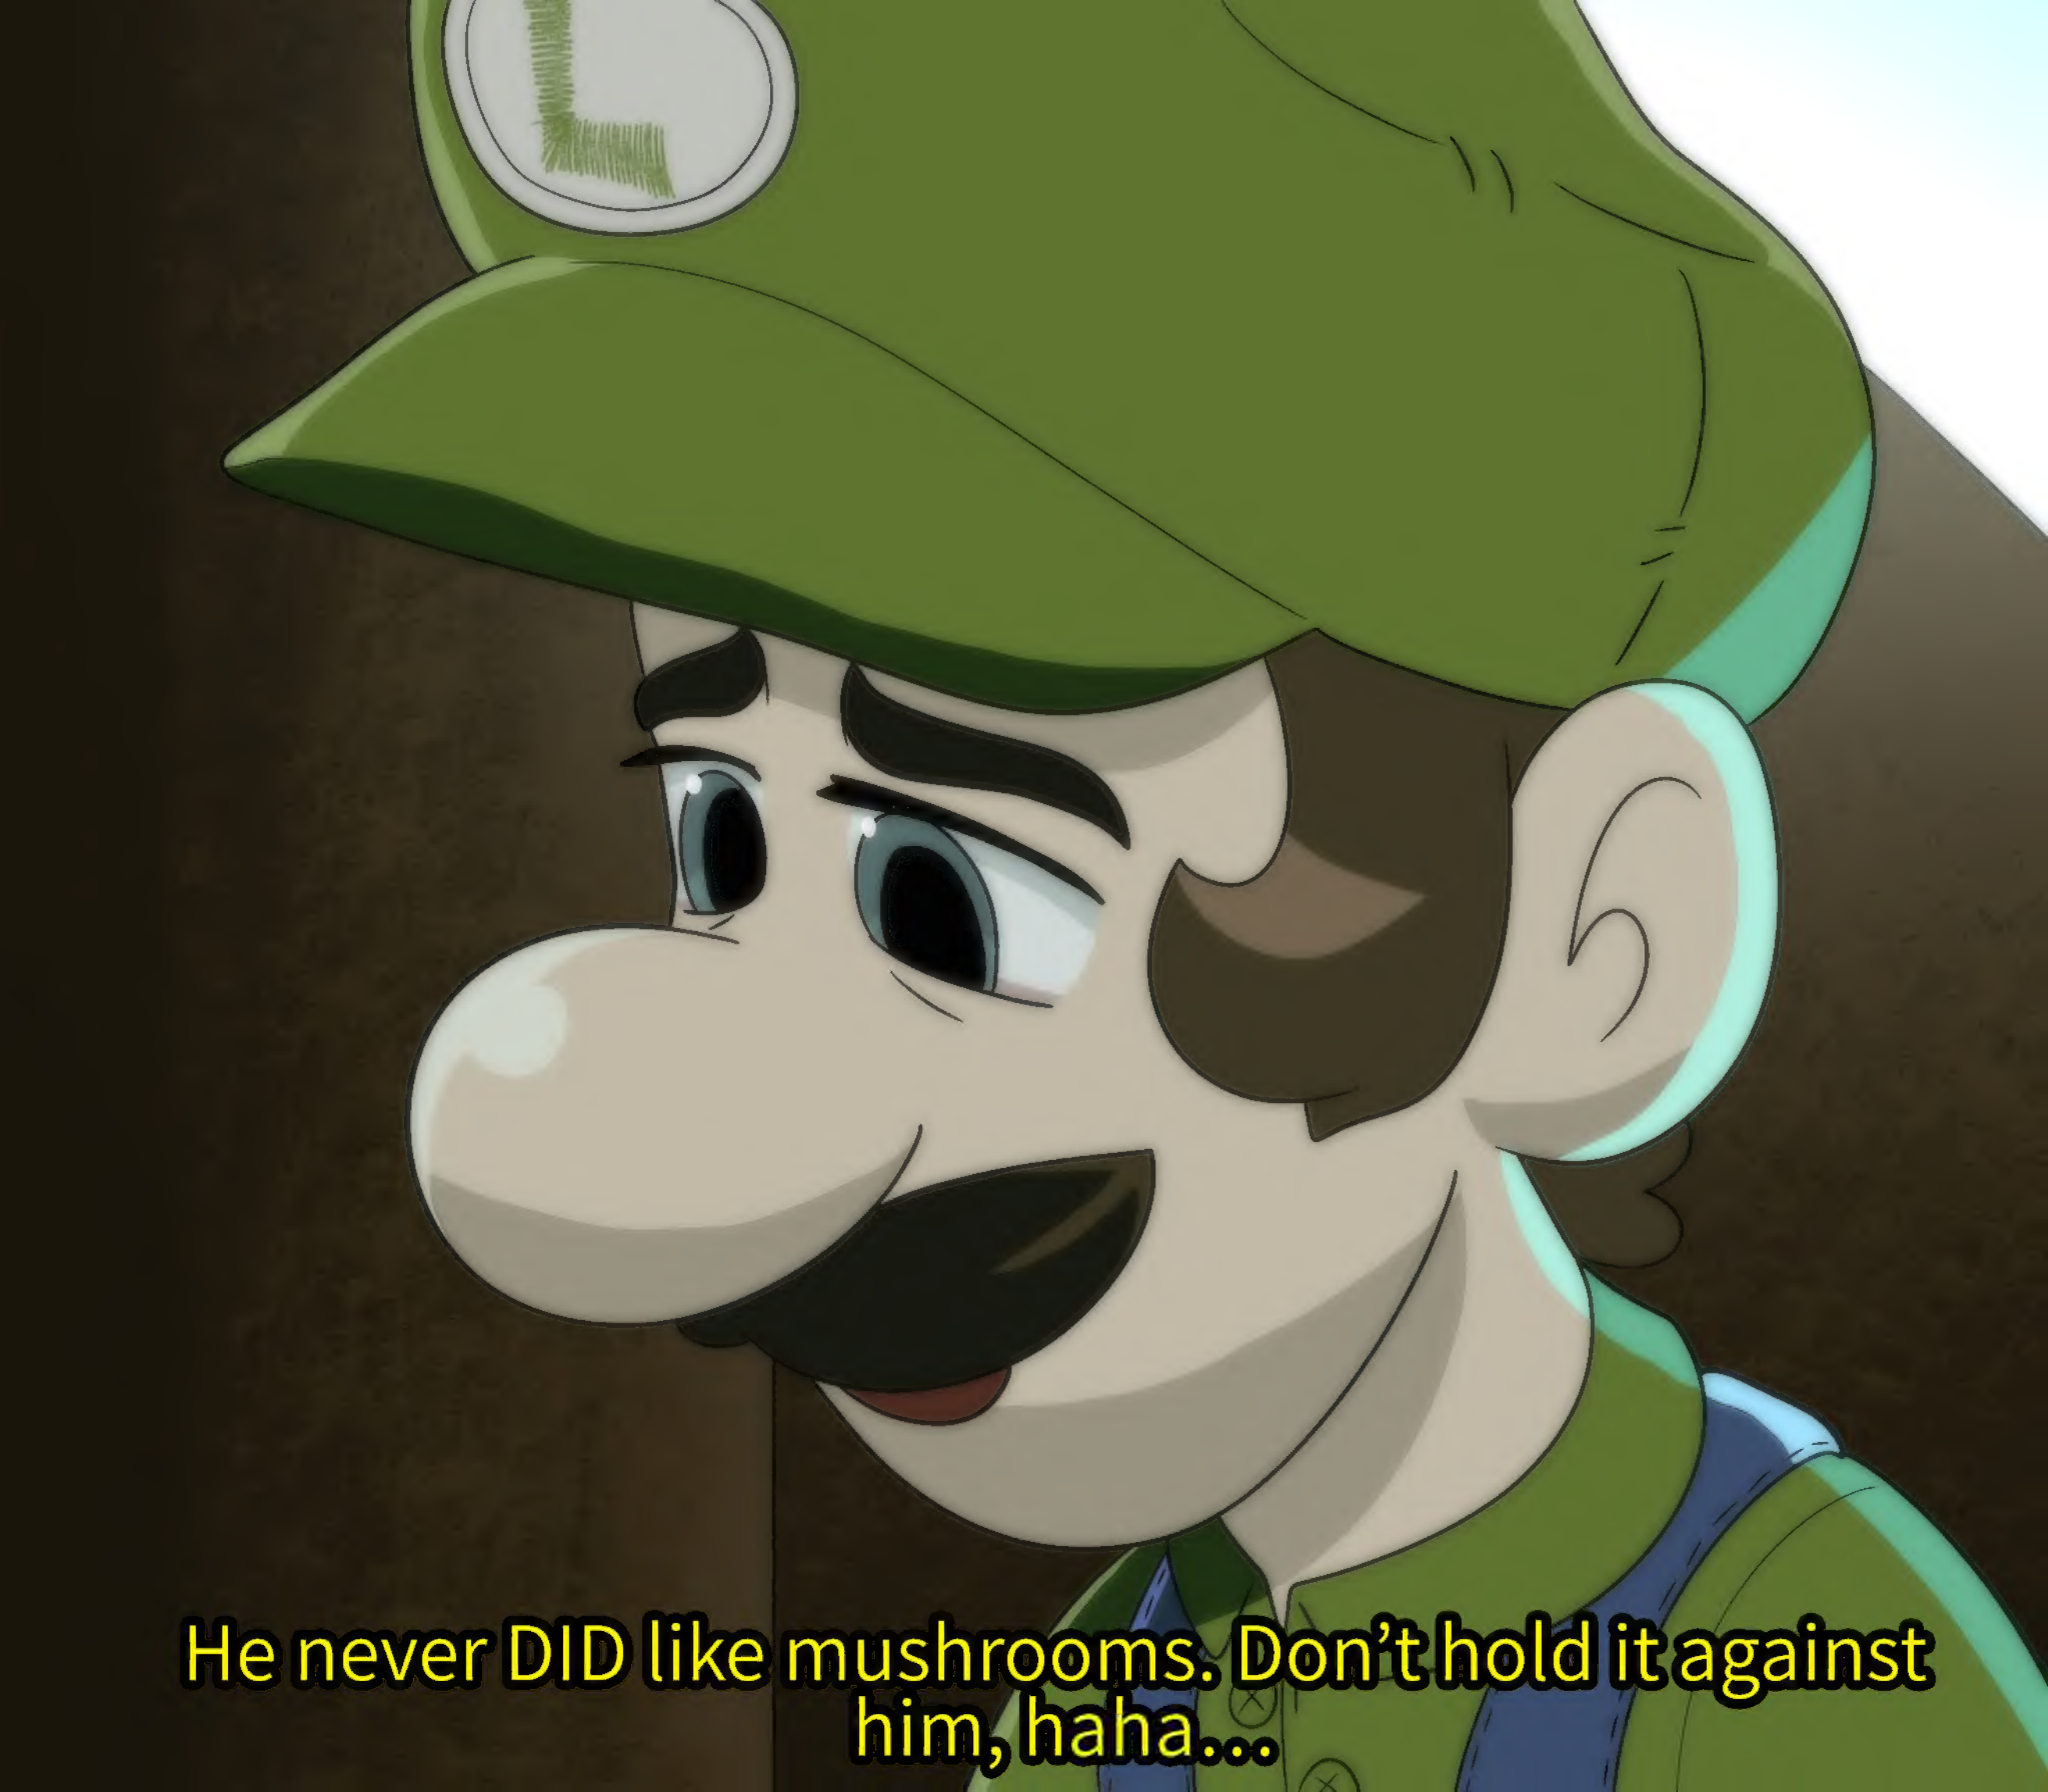

...You're Mario's brother, Louis! Or was it Larry?

...Oh...it's Luigi, hehe...and you are?

My name is Toad, and I am Mario's best friend! Although thinking back, I get that the feeling wasn't mutual...

He never DID like mushrooms. Don't hold it against him, haha...

TOAD: Oh...I won't!
